

September 30, 2007

The Youth web site can be found at www.decaturfumc.org/youth/main.htm. The purpose of this web site is to keep parents, youth, visitors and the community informed of what is going on in our ministry. On the web site you can find links and resources for youth, parents and volunteers, a calendar, newsletters in PDF form, missions opportunities, JH and SH class information, photos from past events and more. The youth love seeing themselves on line and often download these photos for themselves. It's also a great tool for visitors who are interested in our ministry to see what our students are doing.

From now on, **only** those students **with** signed permission will be included in photos on our website. Names and specific personal information will **not** be used for security reasons. I will make frequent updates to the site, and hope that you will visit often!

If you have any questions or concerns, please feel free to ask!

Beth Green

Please indicate below:

- Yes**, I give permission for my youth's photo to be on the youth web site.
 No, I do not grant my permission for my youth's photo to be on the youth web site.

Youth's Name

Parent's signature
